

Fetching Tails Foundation is an 501c3 Illinois based non-breed specific rescue committed to saving dogs regardless of breed, age, and physical ability. Our foundation is committed to lowering euthanasia rates by rescuing adoptable dogs from high kill-shelters and other animal intake facilities and placing them in approved adopted homes. We are dedicated to helping our community through educational programs and combined efforts for spay & neuter clinics. Our foundation has rescued over **1,600 dogs from shelters** and into our program. With that comes a lot of medical bills. On average we spend \$20,000 monthly on dogs medical care to get them ready to be adoptable.

Fetching Tails Foundation is hosting our 5th annual gala, A Fetching Formal at Belvedere Banquets in Elk Grove Village. Over 300 guests will enjoy dinner, drinks, a silent auction, live entertainment and more on **Friday, March 20th, 2020!** A Fetching Formal will raise critical funds to enable Fetching Tails Foundation to increase their rate of rescue and adoption in 2020.

We are kindly requesting a donation from your business for our silent auction. We are looking for items that can create high-end packages for our auction. Auction donations will be displayed at the event and your business will be given credit at the event on the display auction sheets. The bigger the contribution the more we will advertise your donation and company.

Your contribution to A Fetching Formal are tax-deductible to the fullest extent allowed by law. Please contact us with any questions you might have.

Sincerely,
Kristen Gottschalk & FTF Team
