

A Fetching  
Formal Gala

# Fetching Tails Foundation

Fetching Tails Foundation is a 501c3 Illinois-based, non-breed specific rescue committed to saving dogs regardless of breed, age, and physical ability. Our foundation is committed to lowering euthanasia rates by rescuing adoptable dogs from high-kill shelters and other animal intake facilities and placing them in approved adopted homes. We are dedicated to helping our community through educational programs and combined efforts for spay & neuter clinics.

A black and white dog, possibly a pit bull mix, is sitting and looking towards the camera with its mouth open in a happy expression. A white speech bubble is positioned to the right of the dog's head, containing the text 'Thank you FTF for saving my life!'. The background is a solid green color with a repeating pattern of white paw prints and bone shapes.

Thank you  
FTF for **saving**  
my life!
